* PLEASE NOTE: We always attempt to provide 30 classes. This is always challenging due to legal holidays on Mondays, and this year it is extra challenging as many Jewish holidays are on Sundays and Mondays. This results in the Sunday classes extending into June, while the midweek classes will end in early to mid-May. The dates in parentheses are available as Make up days as needed and/or for privately scheduled makeups.

** Please note that private makeups are also available on some legal holidays as noted in the first page of the calendar.
